General Notes:

The 1796 Spinning Wheel Premium Entitlemnts List

A List of Persons to whom Premiums for sowing Flax-seed in the Year 1796 have been adjudged by the Trustees of the Linen Maunfacture.

Pursuant to the Scheme offered by them for encouraging the Growth of Flax throughout the Kingdom, vis. "To the Person who should sow between the 10th Day of March and the 1st Day of June 1796, with a sufficient Quantity of good sound Flax-seed, any Quantity of Land, well prepared and fit for the purpose, not less than 1 Acre - 4 Spinning Wheels, - 3 Roods 3 Ditto - 2 Roods 2 Ditto, - 1 Rood 1 Ditto. And to the Person who should sow in like Manner any Quantity of like Land, not less than 5 Acres, a Loom, or Wheels, Reels, or Hatchells to the Value of 50 shillings, and for every 5 Acres over nad above the first five a like Premium.

The Claimants for one Rood, who are entitled to one Wheel each, are requested to apply to the County Inspector, Mr William Boyd for their Wheels, there being a sufficient Number ready to distribute among them. The other Premiums will be discharged in Rotation as the Wheels can be made, of which due Notice shall be given.

Every Person preferring Reels may have two of them in lieu of a Spinning Wheel.

The Scheme of Premiums offered by the Board for the Year 1796 has had so extensive an Effect that it will require 37,135 Wheels to discharge the One Rood Claimants, and not less than 88,719 Wheels, together with 227 Looms, to discharge the whole, which necessarily produces much delay in delivering.

As the highest Price is paid for the Wheels in order to have them of the best Fabric, of seasoned Timbers, and of full Size, no Claimant is to receive any Wheel deficient, in any respect: They are all to be stamped with the Board Seal before delivery, and with the Maker's Name.

And in order to render the national benefit proposed by the Trustees as effacious as possible, they request that any neglect of the Inspector in delivering Wheels of the best quality and equal excellence to the Pattern deposated with him, be instantly made known to them by information to any Trustees, or to the Inspector General, or by Letter to their Secretary, at the Linen Office, Dublin.

N.B. Any Inspector, Deputy Inspector, or Surveyor, or other Person acting under him or them who shall directly or indirectly receive any Fee, Gratuity, or Reward for the performance of his duty, becomes by such offence, disqualified by Act of Parliament to hold any Employment under the Linen Board.

The Monthly Newsletter of St. Bartholomew's Church  
Vol. XVI, NO 7 November 1971

Dear Fellow Parishioners:

Did you know "Mac" McClay?

If not, you have missed one of the finest gentlemen and an outstanding Christian. To know and work with O.H. McClay in our Parish was a privilege. "Mac's" life was dedicated and devoted to St. Bartholomew's of Ho-Ho-Kus, New Jersey. My dates perforce are approximate. Louise and "Mac" joined St. Bartholomew's in 1945 when "Mac" came home from the service. He was elected to the Vestry in 1946 and served until 1956 when he was made Priest's Warden. He served in this capacity until about 1965 when due to rotation of Vestrymen and Wardens, he retired. It was during these years our Parish had it's greatest growth as well as our greatest problems. The present Nave was moved from Hollywood Avenue to it's current site. "Mac" McClay was the man who applied the match to the burning of what was then our only debt. It is my firm and considered opinion that to a large degree, it was "Mac's" leadership, devotion and hard work that we know St. Bartholomew's Church as it is today. It is only fitting that the memory of such a man have a permanent place in the Church. Your Wardens and vestry have resolved the metal sculpture for the communion rail would be a relevant memorial. I feel this most appropriate as this installation will complete the original plans for the Alter and the Chancel. What "Mac" started, let us finish. The Sculpture has been ordered. Your Committee is earnestly asking you as members of St. Bartholomew's to contribute generously to make this memorial a reality as a permanent place in our church. Checks to be made to St. Bartholomew's - O.H. McClay Memorial Fund and mailed to the Church Office.

Respectfully and humbly your,

John Weyble  
Chairman

General Notes:

Mary's Family were undertakers from Balintra. As a child I can remember her brother driving the horse drawn hearse. It had two jet black horses pulling it. The hearse was al black with glass panels, through which you could see the coffin. It had brass oil lights which gave it an almost haunting apperance when it passed by on a winters late afternoon.

I go to Ireland every year and when it is bad weather I borrow the church records and get odd bits of information. At the moment it is all jumbled up. I will try and sort it out and let you have it, together with more recent events.

Notes for David Robert McClay:

General Notes:

My farther lived in Laghy, he spoke of something called the ALT, I believe this to be a Quarry or a Peat bog, they lived there before he moved to Belfast then Coventry. His parents had a small shop, and I think my grand father Robert O was a carpenter.

I have always been told that the McClays Originate from Greenock In Scotland. Ayrshire is also popular with the McClays.

I am going to Ireland soon to see one of my auntie's and hopefully get some more information.
